## MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Conversation with Dan Childs, SSCI Staff

[ ] reported a conversation he had with Dan Childs by telephone, this date, concerning the language in the draft report on the Intelligence Community Staff (ICS) computer. [ ] reported expressing his concern that the language unduly restricted the Staff from gaining computer support from agencies other than the Central Intelligence Agency. Mr. Childs was unwilling to change the language; however, he expressed the view that the language was not intended to be restrictive by precluding the Staff from receiving computer support from any agency in the Community.
